About This Block

M1 (Make One) — With left needle tip, lift running thread between needles, inserting needle tip from front to back. Knit the lifted strand through the back loop. Underlined in instructions.

pfb — Purl into front and back of stitch: *increase used in the Set Up Row only.*

p3tog — Purl three stitches together: *decrease worked on Row 3 of each body repeat to restore stitch count after the M1 increases.*

k2tog — Knit two stitches together: *decrease used in the Decrease Row only.*

Note: After Row 1 of the body, stitch count temporarily rises by 2 sts per repeat due to the M1 increases. Row 3 (p3tog) restores the count to 41 body stitches.
