## About This Block

**LT (Left Twist)** — Skip 1st stitch and knit 2nd stitch through the back loop; knit skipped stitch in front loop; slip both stitches from needle together.

**kfb** — Knit into front and back of stitch: *increase used in the Set Up Row only.*

**p2tog** — Purl two stitches together: *decrease used in the Decrease Row only.*

*Note: LT is worked on RS rows only. WS rows maintain the rib structure (k the knits, p the purls as they appear).*
