Abbreviations & Notes

BOR — beginning of round · **CO** — cast on · **st(s)** — stitch(es) · **RS / WS** — right / wrong side · **k** — knit · **p** — purl · **sm / pm** — slip / place marker · **tbl** — through the back loop

k2tog — knit 2 sts together (right-leaning decrease)

M1R — make one right. RS: insert the left needle under the strand between 2 sts from back to front, knit it. WS: same way, purl it.

M1L — make one left. RS: insert the left needle under the strand between 2 sts from front to back, knit it through the back loop. WS: same way, purl it through the back loop.

DS — double stitch (German short rows): the turn leaves one stitch with two legs. Work both legs together as one stitch when you reach it again.

Raglan st — the single stitch between two markers: knit on RS, purl on WS. The increases sit on either side of it.

The increase and decrease (underlined) stitches are the ones to watch. Videos for the Italian cast-on, German short rows and Italian bind-off are at www.petiteknit.com.
