Abbreviations & Notes

K — knit · **P** — purl · **st (sts)** — stitch (stitches) · **rnd** — round · **cn** — cable needle

6-st RC — Sl 3 sts to cn, hold to *back*, k3, k3 from cn

6-st LC — Sl 3 sts to cn, hold to *front*, k3, k3 from cn

11-st RC — Sl 6 sts to cn, hold to *back*, k5, k6 from cn

11-st LC — Sl 5 sts to cn, hold to *front*, k6, k5 from cn

Worked in the round; every round is a right-side round and reads right to left. ***...; rep from * around** = work the starred sequence 5 times, once for each 26-stitch panel.

The 11-st crosses are all knit — the purl columns simply sit in a new place afterwards, which is what makes the cables appear to travel. Stitch count is **130 sts** on every round: 26 sts per rep × 5 reps. There are no increases or decreases anywhere in the chart, so if a count comes out wrong, a cable cross has picked up the wrong number of stitches.
