

Building Block #1

We begin the block series with the foundation stitches of all knitting – knit and purl. You will be amazed at the beautiful design that emerges with the sole use of these two stitches.

The Body design was specifically chosen to increase your pattern reading skills. Because the pattern is not quick to memorize, you will need to read each line carefully (see Reading Patterns). Don't worry, experience is the best teacher, and you will gain confidence with each row!

The Body pattern provides the stitches for the center design only. You are expected to work the first and last 4 stitches of every row in the established seed stitch. To maintain the seed stitch, the odd numbered rows will begin and end with k1, p1, k1, p1. The even numbered rows will begin and end with p1, k1, p1, k1.

Bottom Border

Cast on 48 stitches using the Long Tail Cast On method.

Begin seed stitch as follows:

Row 1: *K1, p1; repeat from *.

Row 2: *P1, k1; repeat from *.

Work these 2 rows for a total of 6 rows.

k-knit

p-purl

Body

Maintain seed stitch over first and last 4 stitches of every row while working design over 40 center stitches of Body as follows:

Row 1: *P4, k1, p1, k4; repeat from *.

Row 2: *P3, k2, p2, k3; repeat from *.

Row 3: *P2, k2, p1, k1, p2, k2; repeat from *.

Row 4: *P1, k2, p2, k2, p2, k1; repeat from *.

Row 5: *K2, p3, k3, p2; repeat from *.

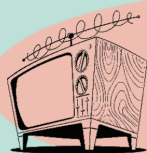

Row 6: *K1, p4, k4, p1; repeat from *.

Work above rows 10 times, ending last repeat after **Row 6**.

Top Border

Work 5 rows of seed stitch as described in Bottom Border ending after Row 1.

Bind off in pattern.

Tips & Techniques

TIP: Seed stitch provides a great opportunity to learn to read your knitting. A knit stitch looks like a “V” sitting under the needle and a purl stitch looks like a “bump”. When working the seed stitch, you will always purl into the knit (“V”) stitch and knit into the purl (“bump”) stitch.

TIP: Markers can be your new best friend! Try using them in these ways:

- Place markers separating the side seed stitch borders from the center Body design.
- Place a marker between repeats in the Body – in this block, every 10 stitches. The isolation of the repeats makes it easier to stay on track.
- Block #1 features a completely reversible design. Fasten a marker to the right side of your block to serve as a reminder.
