## About This Block

**M1 (Make One)** — With left needle tip, lift running thread between needles, inserting needle tip from front to back. Knit the lifted strand through the back loop. Underlined in instructions.

**pfb** — Purl into front and back of stitch: *increase used in the Set Up Row only.*

**p3tog** — Purl three stitches together: *decrease worked on Row 4 of each body repeat to restore stitch count after the M1 increases.*

**k2tog** — Knit two stitches together: *decrease used in the Decrease Row only.*

*Note: After Row 3 of the body, stitch count temporarily rises by 2 sts per repeat due to the M1 increases. Row 4 (p3tog) restores the count to 41 body stitches.*
