

Building Block #7

A slip stitch is made by moving a stitch from the left hand needle to the right hand needle without working it. Unless a pattern states otherwise, always slip the stitch as if to purl with the yarn in back.

To pass a slipped stitch over (PSSO), use an action similar to the standard bind off. Using left needle tip, draw the slipped stitch to the left over the stitch(es) just knit and off the right hand needle.

Western-style knitters (working yarn held in the right hand) create a yarn over in two different ways. The method used to create the yarn over is determined by the stitch that **follows** the yarn over.

When the stitch following the yarn over is a **knit** stitch (as in previous blocks), bring the working yarn between the needle tips to the front of the work and the yarn over is formed as the next stitch is knit. If the stitch following the yarn over is a **purl** stitch (as in this pattern), the working yarn is taken over the top of the right hand needle and then under the needle to the front bringing the yarn to the purl position. Some European knitters refer to this yarn over before a purl stitch as a “yarn around” (YRN).

Continental-style knitters (working yarn held in the left hand) create a yarn over by scooping up the working yarn with the right hand needle. A yarn over is made in this manner **every** time with no regard to the stitch following the yarn over.

Mock Cable

Bottom Border

Cast on 48 stitches using the Long Tail Cast On method.

Begin seed stitch as follows:

Row 1: *K1, p1; repeat from *.

Row 2: *P1, k1; repeat from *.

Work these 2 rows for a total of 6 rows.

Set up Row

This row is worked ONCE!

Work seed stitch over first 4 stitches.

Increase 12 stitches in Body as follows: k3, *kfb, k2; repeat from * to end of Body stitches, ending last repeat k3 instead of k2.

Work seed stitch over last 4 stitches = 52 Body stitches for a total of 60 stitches.

Continue design beginning with **Row 2**.

Body

Maintain seed stitch over first and last 4 stitches of every row while working design over 52 center stitches.

***Note:** Body stitch count varies within the design. The number of **Body** stitches is given at the end of each row.*

Row 1: P2, *k3, p2; repeat from *. (52 Body stitches)

Row 2: K2, *p3, k2; repeat from *. (52 Body stitches)

Row 3: P2, *sl1, k2, psso, p2; repeat from *. (42 Body stitches)

Row 4: K2, *p1, yo, p1, k2; repeat from *. (52 Body stitches)

Work above rows 14 times, plus one additional row, ending after **Row 1**.

Decrease Row

Work seed stitch over first 4 stitches.

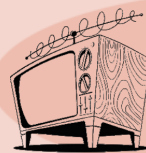

P3, *p2tog, p2; repeat from * to end of Body stitches, ending last repeat with p3 instead of p2.

Work seed stitch over last 4 stitches = 40 Body stitches for a total of 48 stitches.

Top Border

Work 5 rows of seed stitch as described in Bottom Border, ending after Row 1.

Bind off in pattern.
