PATTERN

Anker's Summer Shirt is worked from the top down. The yoke is worked in sections of rib with increases in the round, followed by classic raglan increases when the stockinette stitch section begins. The sleeves are worked at the end, either on double-pointed needles or on circular needles using the Magic Loop technique. Anker's Summer Shirt has no finishing other than weaving in ends. Begin by working a swatch to determine which needle size you need to achieve the correct gauge. **Note** that the swatch needs to be washed and blocked before measuring the gauge.

Size guide

Anker's Summer Shirt is designed to have approx. 0-5 cm [0-2 inches] of positive ease, meaning it is designed to be 0-5 cm [0-2 inches] larger in circumference than your widest upper body measurement.

The sizes XS (S) M (L) XL (2XL) 3XL (4XL) 5XL are designed to fit a bust circumference of 80-85 (85-90) 90-95 (95-100) 100-110 (110-120) 120-130 (130-140) 140-150 cm [31½-33½ (33½-35½) 35½-37½ (37½-39¼) 39¼-43¼ (43¼-47¼) 47¼-51¼ inches]. The measurements for the finished garment are on the front page of the pattern (note that these measurements are only achieved if the correct gauge is kept). Before beginning your project, measure yourself with a measuring tape around your bust (or your widest upper body part) to determine which size will fit you the best. For example, if you measure 95 cm [37½ inches] you should knit a size M. A size M shirt has a finished circumference of 96 cm [37¾ inches], which in the given example would mean 1 cm [½ inches] of positive ease.

About raglan increases

The raglan increases are worked from the RS on either side of a central raglan stitch (which is worked like a normal stockinette stitch that is knitted on the RS and purled on the WS). The raglan increases to the right of the raglan stitch slant right (M1R), while the raglan increases to the left of the raglan stitch slant left (M1L). These increases are worked as follows:

M1R: Insert left needle under the strand between the stitch that was just knit and the raglan stitch from back to front, then knit this strand as you would normally.

M1L: Insert left needle under the strand between the raglan stitch that was just knit and the next stitch from front to back, then knit this strand through the back loop (twisted).

Yoke

The yoke is worked in the round on circular needles.

Cast on 92 (92) 96 (96) 100 (104) 104 (104) 108 sts on 4 mm [US6] / 40 cm [16 inches] circular needles with your preferred method. Join in the round, making sure that the cast-on edge is not twisted and place a marker for the beginning of the round. Change to a longer circular needle with a cable of 60 or 80 or 100 cm [24 or 32 or 40 inches] when required to accommodate the increasing number of sts.

Work 10 rounds of (k1, p1) rib.

Work 2 rounds of stockinette stitch with increases, as follows:

Round 1: *K2, yarn over*, repeat from * to * to end of round. There are now 138 (138) 144 (144) 150 (156) 156 (156) 162 sts on the needles.

Round 2: Knit across 1 round, knitting the yarn overs through the back loop to avoid holes.

You have now worked 1 rib segment.

All sizes:

Work 10 rounds of (k1, p1) rib. Knit across 1 round.

A total of 4 (4) 4 (5) 5 (5) 5 (6) 6 rib segments have been worked and there are 230 (230) 240 (288) 300 (312) 312 (364) 378 sts on the needles.

Raglan increases

The rest of the yoke is worked in stockinette stitch and shaped with raglan increases.

Divide the work into sleeves, front and back by placing the following markers on either side of each of the 4 raglan sts (optionally use markers of a different color than the beginning of round marker), as follows:

34 (34) 36 (42) 45 (49) 50 (59) 63 sts (right back), place marker, raglan st, place marker, 45 (44) 45 (58) 57 (56) 53 (62) 61 sts (right sleeve), place marker, raglan st, place marker, 68 (69) 73 (84) 91 (98) 101 (118) 126 sts (front), place marker, raglan st, place marker, 45 (44) 45 (58) 57 (56) 53 (62) 61 sts (left sleeve), place marker, raglan st, place marker, 34 (35) 37 (42) 46 (49) 51(59) 63 sts (left back). The beginning of round marker is at the middle of the back.

Work raglan increases **every other round**, as follows:

* Knit across right back, **M1R**, knit the raglan stitch, **M1L**, knit across right sleeve, **M1R**, knit the raglan stitch, **M1L**, knit across front, **M1R**, knit the raglan stitch, **M1L**, knit across left sleeve, **M1R**, knit the raglan stitch, **M1L**, knit across left back. (8 sts have been increased). Knit across 1 round. *

Work from * to * until a total of 5 (7) 7 (3) 4 (5) 8 (4) 6 raglan increase rounds have been worked. There are now 270 (286) 296 (312) 332 (352) 376 (396) 426 sts on the needles.

Body

Now you will separate the sts for the sleeves and leave them on hold while knitting the body, while at the same time casting on new sts at each underarm, as follows:

Knit 39 (41) 43 (45) 49 (54) 58 (63) 69 sts (right back), knit the raglan stitch, place the next 55 (58) 59 (64) 65 (66) 69 (70) 73 sts on a stitch holder, spare cable or length of leftover yarn (right sleeve), cast on 5 (6) 7 (8) 9 (10) 11 (12) 11 new sts at the underarm using the backward loop method, knit the raglan stitch, knit 78 (83) 87 (90) 99 (108) 117 (126) 138 sts (front), knit the raglan stitch, place the next 55 (58) 59 (64) 65 (66) 69 (70) 73 sts on a stitch holder, spare cable or length of leftover yarn (left sleeve), cast on 5 (6) 7 (8) 9 (10) 11 (12) 11 new sts at the underarm using the backward loop method, knit the raglan stitch, knit 39 (42) 44 (45) 50 (54) 59 (63) 69 sts (left back).

There are now 170 (182) 192 (200) 220 (240) 260 (280) 302 sts on the needles for the body.

The beginning of the round is now in the middle of the new sts cast on at the right underarm.

Work in the round in stockinette stitch until the shirt measures 49 (51) 53 (57) 59 (59) 61 (63) 65 cm [19¼ (20) 20¾ (22½) 23¼ (23¼) 24 (24¾) 25½ inches] mid front, from the cast on edge at the neck.

Change to 3.5 mm [US4] / 80 or 100 cm [32 or 100 inches] needles. Work 10 rounds of (k1, p1) rib.

Bind off in rib.

Sleeves

The sleeves are worked in the round on 4 mm [US6] double-pointed needles or on circular needles using the Magic Loop technique.

Place the sts for one sleeve back on the needles. Pick up and knit 5 (6) 7 (8) 9 (10) 11 (12) 11 sts in the 5 (6) 7 (8) 9 (10) 11 (12) 11 sts that were cast on at the underarm on the body. There are a total of 60 (64) 66 (72) 74 (76) 80 (82) 84 sts on the needles. Place a marker for the beginning of the round in the middle of the sts that were picked up at the underarm.

Work in the round in stockinette stitch until the sleeve measures 6 (6) 7 (7) 7 (7) 7 (7) 7 cm [$2\frac{1}{4}$ ($2\frac{1}{4}$) $2\frac{3}{4}$ ($2\frac{3}{4}$) $2\frac{3}{4}$ ($2\frac{3}{4}$) $2\frac{3}{4}$ inches] from the underarm, while **at the same time** decreasing 2 sts every 4th (4th) 5th (5th) 5th (5th) 5th (5th) 5th round a total of 3 times, as follows: K1, k2tog, knit to the last 3 sts, k2tog tbl, k1.

There are now 54 (58) 60 (66) 68 (70) 74 (76) 78 sts on the needles.

Change to 3.5 mm [US4] double-pointed needles. Work 10 rounds of (k1, p1) rib.

Bind off in established rib pattern.

Finishing

Weave in all ends.

The neck edge can benefit from a thin elastic thread being sewn along the top of the rib edge to help it maintain the same size and shape with wear (see video of the technique on www.petiteknit.com).
