About This Block

SSK (Slip, Slip, Knit) — A left-leaning decrease that mirrors k2tog. Slip next stitch as if to knit, slip next stitch as if to knit, insert left needle into the front of these two slipped stitches from left to right and knit together.

Tip: An SSK is considered a knit stitch — work the Yarn Over before the SSK the same as you would before any knit stitch.

kfb — Knit into front and back of stitch: *increase used in the Set Up Row only.*

p2tog — Purl two stitches together: *decrease used in the Decrease Row only.*
