## About This Block

**CDD (Central Double Decrease)** — Slip 2 sts together knitwise (as if working k2tog), k1, pass both slipped sts over the knit st and off the needle. Results in a vertical stitch with no lean.

**k2tog** — Knit 2 stitches together: *right-leaning decrease*.

**SSK** — Slip, slip, knit slipped sts together: *left-leaning decrease*.

**kfb** — Knit into front and back of stitch: *increase used in the Set Up Row only*.

**p2tog** — Purl two stitches together: *decrease used in the Decrease Row only*.

*Tip: k2tog leans right · SSK leans left · CDD stands vertical — the lean of each decrease follows the angle of the fern lace design.*
